The Court convened a status conference in this matter on October 12, 2006, after the structured settlement consultant advised it has been unable to implement the Court's June 19, 2003 entry. The lack of requisite filings with the Hamilton County Probate Court blocks implementation. At the status conference, Plaintiffs' Counsel, Kenneth Lawson, indicated he would complete the necessary filings, consistent with the June 19, 2003 entry.

Accordingly, the Court CONTINUES this matter until 10:00 A.M. on November 16, 2006, at which time it shall hold a status conference with Plaintiff's Counsel Mr. Lawson, unless Mr. Lawson can report back prior to such date that this matter has been presented to the Hamilton County Probate Court and is resolved.

SO ORDERED.

Dated: October 17, 1006
